NEWSLETTER

SEPTEMBER/OCTOBER 2015

Vol. 1 No. 4

President's Message

I am so happy we are sharing our T.H.M.A. happenings through a bimonthly newsletter! I've received, and passed on to Editor Carol, so many positive comments, but I'm having a little trouble with the name. This publication is much too creative to be called an ordinary name like "Newsletter." I am so sure someone out there has an original and much better idea that I am willing to personally offer a 2015 Taneytown History Museum Christmas ornament to the winner of a "Name the Newsletter" contest. Please submit your suggestions – your family, friends and neighbors may submit their ideas also. Send to THandMA@gmail.com or to T.H.M.A. 340 E. Baltimore Street, Taneytown, MD 21787. Our Board of Directors will vote on the entries at their October meeting and we will announce the winner in the November/December Newsletter.

I hope you had a great summer and are ready to join us in the whirlwind of activities coming up this fall!

T.H.M.A. Fall Meeting Programs

Join us for a tour of a historic gem close to Taneytown! Dorothy (Dort) and Richard Mollett have graciously opened their residence at Glenburn for our September program. Glenburn, located on Runnymede Drive, Taneytown, was built in 1840 by Rogers and Amelia Birnie. It has been a boarding school, was owned by a U.S. Congressman and, more recently, was a Bed & Breakfast, owned by the Robert Neal family.

One More
Round
For George

Annual Golf Tournament

The third annual "One More Round for George" Golf Tournament will be held Friday, September 18, at Quail Valley Golf Course, Littlestown, PA, with tee-off at 8:00 a.m. More than 70 local businesses and individuals have agreed to be sponsors. Tournament plans include raffles, special games on several of the holes, lots of prizes, a "goody bag" and buffet lunch for golfers. There is still room for several more golfing foursomes, so if you, family and/or friends, are looking for lots of fun and a great day of golf, contact Kenny Crouse, at 410-756-6655 or after 6:00 p.m., 410-756-6165, to register. All proceeds benefit the History Museum.

What's going on at the Museum?

The road to opening day continues with bumps along the way. The inside remodeling is complete! The new fire escape stairs have been installed and look very nice. However, the contractor could not fabricate the stairs with the handrail attached as planned, so now we are waiting for the handrails to be completed and installed, followed by the final inspection. We are hoping for completion in two weeks. Due to the uncertain finish date, the fact that we are closed during the winter, the amount of work required for the golf tournament, the Holiday of Trees, Wreaths and Centerpieces and getting the display area ready, the Museum Committee is planning the grand opening for spring 2016.

We need your help...

Taneytown Heritage and Museum Association have quite a few "irons in the fire" at the present time. With our building renovation nearing completion, interior work and exhibits need to be done before opening. We also have several fund-raisers underway, the annual golf tournament coming up, the annual "Holiday of Trees, Wreaths and Centerpieces" approaching and our fall meeting schedule beginning. It will only be with the help and support of many volunteers that we will be able to address all these projects.

Elsewhere in this Newsletter are the names of the committee chairpersons who have taken the lead. If you are able to participate or volunteer time, even just a few hours, in any of these areas, it will be greatly appreciated. Recognizing everyone has different interests and talents -- what may be a task for you, could bring pure joy to another -- there is something for everyone!

Meeting Programs

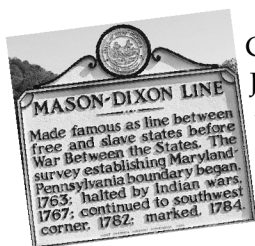

continued from pg 1

The first fall meeting is scheduled for September 28. Carpools will leave the parking lot behind Grace U.C.C. Church, 49 W. Baltimore Street, at 6:15 p.m. to arrive at Glenburn at 6:30 p.m., for a tour from 6:45-7:45 p.m. After the tour we will head back to Grace Church for light refreshments, a short meeting and conversation in the social hall.

The October T.H.M.A. meeting will honor the 250th Anniversary of the Mason Dixon Line. Starting in 1765,

Historical Snippets

Eli Bentley, silversmith and clockmaker, moved to Taneytown in the late 18th century. He is best-known for his intricate brass works and painted or engraved metal clock faces in tall-case clocks. Quite a few of his clocks have survived and some are owned by residents of Taneytown. Several are on display at the Carroll County Historical Society and one at the National Watch and Clock Museum in Columbia, PA.

Charles Mason and Jeremiah Dixon were hired to settle a long-standing dispute between the Calvert and Penn families.

Richard Hull, of Westminster, will tell us about the Mason Dixon Line mile marker that is on loan to the Taneytown History Museum and is presently on display at the Taneytown Branch New Windsor State Bank. A member of the Mason Dixon Line Preservation Partnership will relate the history of the Line and the important work of preserving the historical markers.

The meeting is October 26, 2015 at 7:00 p.m. in Grace U.C.C. Church social hall. Enter through the door on the west side. Handicap entry is on the east side. Light refreshments will follow the program.
