

Memories...

are found here at the
Taneytown History
Museum...

The Taneytown History Museum is pleased to present a centennial of toys.

These toys were enjoyed and treasured by children from 1890 to 1980. It is our hope that multi-generational visitors will come to our display and the toys will lead to an "I remember" story.

It is only through these moments of sharing our personal experiences that we can keep history alive for generations to come.

Thank you for coming and I hope you enjoy your visit.

Exhibit Coordinator

Our Gift Shop is located inside the museum with new hand made toys, paper dolls, annual ornaments and stands, prints and framed artwork from local artist, Taneytown throw, history books, and many other items related to this area.

Donations and Volunteers for the History Museum are always needed and appreciated.

The Taneytown Heritage and Museum Association, Inc. was established in 2014. It is a "marriage" of two local groups, the Taneytown Heritage Committee and the Taneytown History Museum. Each was dedicated to furthering public interest and knowledge of local history – the Heritage Committee through lectures and community pride while the Museum strives to preserve and display artifacts and ephemera.
