## NOVEMBER/DECEMBER 2020

### President's Message

This 2020 Year has been like no other for any of us due to the Covid-19 virus. Now in our 3rd quarter, our door remains closed and our faces masked! We've cancelled our Annual THMA Holiday Dinner and the Holiday of Trees, Wreaths and Centerpieces. We've met in joint THMA Board and Museum meetings in the garage during the summer and now in the rearranged meeting room in the museum. We've adjusted and keep working to continue being a viable organization. I look forward to seeing all of you in 2021.

...Sandy Crouse, President

### 'One More Round for George' Wrap Up

The 8th Annual Golf Tournament saw a great weather day and 130 golfers! This was the 2nd best ever golfer turn out!

### Yard/Garage Sale

The museum garage and basement needed 'house cleaning' and we discovered stored items that we may not need or use again. So the idea of a yard sale took shape and thus

**Sat., November 7, from 8-2 p.m. is our YARD/GARAGE SALE.**

In addition to our finds are an 8 ft. (3 sectioned) Christmas tree, several 4 ft. trees, wreaths and decorations, 2 vacuums, etc., and we encourage YOU to donate items for us to sell as well!!

Call Sandy 410-596-5131 ASAP to let us know what you are donating and if you can volunteer to arrange items in \$1, \$3, \$5, even 50 cent tables/ OR work - before or during the sale day.

If your items don't sell - do you want them reduced, returned to you or donated to GOODWILL Store? Along with these items will be our usual brooms, ornaments, store items - AND a 'Slaugenhaupt Rocker'. Please support us with a donation or your presence.

### What's going on at the Museum?

Although the museum remains closed, we continue to work toward the day when we can share our facility with the public again. We have installed a new modern faucet in the kitchen to replace the leaky one. Our garage was treated several weeks ago for carpenter ants but during cleanup day we gained access to some built in cabinets which had particle board on the floor and full of ants. Home Paramount came back and treated the area for free. We hope this ends the ant problem.

### 2020 White House Ornaments

Purchase by calling Fairy Flickinger at 410-756-2245. They are selling for \$25.00 per ornament with all profit going to the Taneytown History Museum. They would make great "stocking stuffers."

### 'One More Round' ...

*Continued from page 1*

Even with golfers and volunteers wearing masks, adjusted games and restrictions, all golfers seemed to have fun, happy to be outside and helping our museum's fundraiser. At the days' conclusion was the wrap-up of prizes for different golf competition and raffles, while enjoying a boxed lunch.

It was Ken Crouses' idea to have a golf tournament 9 years ago in memory of his brother, George, and he has chaired this successful contest for 8 years. As he announced his retirement, we 'Thank him, Immensely!' He will continue to work with co-chairs, Michele Crouse and Tom Lawrence.

### What's going on...

We still have two large heavy display cases used to display guns during the Civil War display. They have been in David Wantz's building for years. I will be moving them to the museum for sale or disposal. If interested call me. We thank David for storing them.

The city of Taneytown did not have a pumpkin people contest this year but thanks to Sherrie Hahn and Amy Rigler we again have a cute display. Look closely at the score board

to see who is bowling. Hint, he was a clock maker.

This display helps remind people we are still active and puts a smile on their face as they drive by. We all need a chuckle and smile in these difficult times.

Stay safe!
