President's Message

Greetings on this beautiful day in October. As the seasons change, so are our Taneytown Heritage and Museum Association activities. Stay tuned to our many activities, including the Holiday of Trees, our bowl raffle, our Holiday Dinner, efforts toward our new exhibit for 2022 and new speakers in the spring!

We've had a couple great speakers this fall at the THMA general meetings, including Richard Heinick and Dan Hartzler, speaking on baseball. If you know of a speaker who would be of interest to our group, please contact any member of the Board of Directors. We're always looking for input from our members' group.

If you haven't purchased your raffle

tickets yet, know that there are more available. The handmade bowls were turned from the Norway Maple that grew next to our driveway at the museum.

I hope to see you at our Holiday Dinner on November 22nd. I look forward to seeing all of you at one place. This is a great time to share stories of your THMA experience with others.

We often shy away from asking folks to support our efforts financially, but we must ask if we are to receive. From property maintenance and repair, to preparing and setting up displays, to hosting outdoor events, these efforts require financial support. The original vision of George Crouse and George Naylor has grown into quite a place, a destination within Taneytown, sup-

What's going on at the Museum?

Cooler weather has arrived, dead flowers and weeds have been removed and winterization has begun. Yes, we are nearing the close of our doors to the public on November 14th. Please encourage friends and neighbors to visit before the baseball/Memorial Park exhibit is taken down and all loaned items returned to owners. Thanks to Nancy Eyler and the exhibit Committee for another great exhibit.

2022 Museum Featured Exhibit

The History Museum Exhibit Committee met recently to finalize plans for next season's featured exhibit. "Creative Talent of our Community" was chosen as the title of an exhibit showcasing the creative talent of residents of Taneytown and the surrounding area, past and present. Due to limited space, the Museum exhibit will be limited to fine art and the work of published authors. It will be juried by the Exhibit Committee. Recognizing there are many talented craft artists in our community, other outdoor events are being planned, offering opportunities to highlight the work of local craft-persons.

If you would like to participate, have suggestions or to be involved with the development of this exhibit, please contact Nancy Eyler, the exhibit coordinator, email: nancyeyler@hotmail.com, call

410-756-2170. or leave a message at the Museum 443-918-8687.

The 2021 exhibit "Take Me Out to the Ball Game" closes Sunday, November 14th. If you or your friends have not yet visited, please put it on your calendar!

ported by folks from a number of organizations. Let's keep the momentum going!

Many of you volunteer in one capacity or another. If you are not a current volunteer, please consider what role you might play. Pam will be calling our volunteers soon to schedule a time to serve as a 'greeter' at the Holiday of Trees in the NWSB Bank, A Division of ACNB Bank, here in Taneytown.

See you around town and at the museum!

What's going on...

Continued from page 1

There are many opportunities for volunteers. Currently we could really use someone to be point person for house-keeping. Someone who would just come by on a regular basis and make sure we are as neat and clean as we can be and if not, a few phone calls, and help will arrive.

The storage building is waiting for the pad to be finished and the building should be in place by mid-November.

Check out the Hocus Pocus theme Halloween decoration in front of the museum.
