## NOVEMBER/DECEMBER 2025

### President's Message

Greetings Folks! Well, I can't believe it! I feel a slight nip in the air, The trees are glowing with brilliant color, maybe a little less so this year because of the dry weather, gorgeous, nevertheless! It's Fall and soon the holidays will be upon us. We have had a busy couple of months since I last wrote to you, and it has been great to see so many enjoying our museum. This season was kicked off with a bang (shotgun start)! Our thirteenth annual golf tournament, One More Round for George, is a great way to remember one of our founders, George Crouse, and is one of our major fundraisers. Special thanks to all who participated and especially those who provided so much time organizing, planning and working behind the scenes. Tom Lawrence and Michele Crouse, did a remarkable job in making this event such a success. Quick on the heels of the golf tournament was Harvest Day. One of my favorite events, hot dogs, home made ice cream (thanks Sherrie and Carroll) and old tractors. It doesn't get much better than that! We had a great day with great attendance. If you couldn't make it, we look forward to seeing you next year!

In the fall we begin our monthly general membership meetings. If you're not a

regular, mark the fourth Monday of the month on your calendar. It's a great way to spend the evening. We always have an interesting speaker and enjoy great fellowship (refreshments too). At the September meeting Jason Illari, the executive director of the Historical Society of Carroll County gave the presentation. He talked about upcoming events and ways we can work together to show pride in the rich history of our town and county. In October, Helen Kemp, curator of the Strawbridge Shrine in New Windsor (the birthplace of Methodism) promised an inspiring presentation.

### What's going on at the Museum?

As I let my sheep out this morning, I noticed a light frost on the gate—a sure sign that winter is on its way. While the museum may soon appear to be resting, there will be plenty of activity behind the scenes as the Exhibit Committee begins preparing for our 2026 exhibit. This special display will complement America's 250th birthday celebrations taking place throughout the town, county, state, and nation.

This is your final call to visit and enjoy the beautiful "Taneytown A to Z" exhibit before the museum officially closes for the season on November 16th.

On September 27th, we hosted our annual Harvest Day. Many thanks to John Baumgardner, Codi Windisch, and Linda Hahn for participating in a wonderful event that featured eight tractors on site. Visitors, exhibitors, and volunteers

Our museum closes for the winter, on November 16th. Thank all of you who have volunteered to help staff the museum this past season. One thought, I mentioned the holidays are just around the corner. Why not stop by our gift shop and pick that special gift for a history buff you know. It's a great place to get your "stocking stuffers"! Even though the museum closes for the winter, the fun doesn't end! Holiday of Tree's opening day is November 19th at ACNB Bank, in Taneytown.
