## President's Message

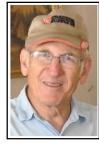

Happy New Year everyone! I hope the new year has started with a BANG! I trust you all had a blessed Christmas with friends and family. Our Christmas was a bit untraditional this year, as Myra and I planned to visit our children and families, instead of having them all come here. Plus most of our grandkids will be coming to our home for our first annual "Grand Kids Day." Sounds like fun! (I'll let you know next issue). Time marches on, so must we.

## What's going on at the Museum?

The sleigh and Dasher kicked off the holiday season in festive style on December 12th at the Taneytown Fire Company's popular Breakfast with Santa, delighting children and families with plenty of cheerful photo opportunities. Later that day — snow or no snow — Sherrie climbed aboard as the sleigh made its merry journey across town on a flatbed trailer to the museum's front yard. There it now proudly sits, spreading holiday cheer until

after New Year's Day. While the museum may appear to be resting for the winter, there is plenty of exciting activity happening behind the scenes. Planning is well underway for our 2026 exhibit, and a dedicated committee is creating a brand-new trifold brochure to help spread the word about the museum and its programs. At the same time, dates are being finalized for an exciting lineup of 2026 events.

## Museum Gift Shop

We ended our year by going to Carroll Vista for their annual Craft Show and next was The Holiday of Trees. Both events were well attended and lots of fun.

While the museum is closed over the winter months, if you would like to purchase anything, you may call the museum @ 443-918-8687 and leave a message, or call myself, Diane Wilhide @ 410-596-9027 ...we will be glad to help you out. Our Amish brooms will still be for sale at Crouse Ford and Wantz Chevrolet.

Our newest 2025 ornament for sale is The Taneytown Post Office. Ornaments from 2008-2025, each with a short history on the back, are available for \$10 each.

Thank you for the many hands who have helped me to get ready for this past season, especially Sandy Crouse, Pam Reed and Carroll Hahn. We appreciate the staff at Crouse Ford and Wantz Chevrolet for the sales of brooms and also to all the visitors who have come though the gift shop.

Thanks for supporting our Gift Shop. See you in April.

## President's Message...

As the new year begins, I look forward to the opportunities that lie ahead. In my first year as your president, I have been overwhelmed with our organization, from many stand points. Our members and volunteers are incredible. What a great help you have been to me. The love and dedication is so evident, for our very special community. It is truly inspiring. We all had a super year in 2025, but I know 2026 will even be better. What we have accomplished, together, is amazing. Our museum is planning big things for

America's 250th birthday. Nancy Eyler and her team have plans that will celebrate our 250 years as Americans in fine style. You know we are somewhat unique and privileged to live in an area that predates our county's independence by twenty-two years. Our forebearers have helped shape the very fabric of who we are as a nation. Taneytown's contributions have been many and that is what we celebrate in 2026, along with all Americans, nationwide.
